\$338,000

Feel the sense of tranquility the moment you leave the paved road and follow Brookside Drive, a quiet lane flanked by tall evergreens with 2 small bridges crossing a babbling brook. 140 Brookside Dr is the last house on this private road, so your privacy is assured. This wonderful family home offers year-round recreation with 1.67 acres of landscaped yard & gardens and 382 ft of shore frontage on pristine Rhodenizer Lake. Living space is spread over 3 levels with a flowing main floor featuring a stunning Great Room with cathedral ceilings. Enjoy lake views from every angle of the Main Living Area, and during the winter months, let the 2 woodstoves (1 in the great room, 1 in the dining room) warm you up after a skate on the lake. The large 2nd floor Master boasts a private 4-pc bath and balcony overlooking the lake. There are 4 more bedrooms, including one on the main floor adjacent to the main bath. Other property highlights include large decks, a lakeside gazebo and above ground pool. A substantial detached double garage with fully self-contained 2-bedroom loft apartment offers potential for rental income, or the perfect place for visiting family and friends.
