A Rare Opportunity in Lunenburg!

\$495,000

Here is a rare opportunity to invest in the historic town of Lunenburg. This dignified four-bedroom home was built in the early 1920's and it is now offered for sale for the first time. The home itself has some beautiful features but add to that the nearly 3-acre municipally serviced lot, and the development possibilities are endless. Such a large and well situated parcel is an extremely rare find in this popular but compact seaside community. Indeed, 73 Green Street enjoys an outstanding location at the geographic hub of Lunenburg, with just about every town amenity within a 1.5km radius...just think...Walk to Everything!
