Comfy & Cozy! \$399,000

This solid mid-century bungalow in a quiet neighbourhood is great for singles, seniors or first-time home buyers who thought they couldn't take that first step on the Lunenburg property ladder. Regardless of your age or budget, this is a great opportunity to get into the Lunenburg market and become part of this vibrant South Shore community. The home sits back from the road framed by a splendid old oak tree at the front. The level quarter acre lot features large yards at the front and back of the house. Inside, a unique design offers one-level living with a different layout than the run-of-the-mill bungalow. It's compact, but the open living/dining area with its large corner windows creates a bright and airy living space. The tidy kitchen has access to the back of the house where there's a small fenced patio between the house and garage forming a very private sitting area or fully contained outdoor space for the family dog. Toward the back of the house are 3 Bedrooms and 4-piece bath. There's ample storage in the immaculate full height basement and the sturdy garage is a wonderful bonus space for the tinkerer as there's plenty of room for the cars outside on the long paved driveway. Conveniently located, a 5-10 minute stroll takes you to just about every service and amenity offered in town.

Definitely Cozy, Certainly Comfy!
