Old-Town FOX!

$475,000

"Sly" Buyers will recognize the opportunity presented by this Fox St Beauty. She may be a tad rough around the edges at the moment, but a little love & attention will transform her back into a standout Old-Town residence. Totally solid but needing freshening up & cosmetic updates, the rewards for your effort will be well worth the investment. Built in 1916, the house has had only 3 owners and retains much of its original detail including, built-ins, wide baseboards & trim, mantle, stained glass, handsome staircase, & original wood floors throughout that are just waiting to be refinishing to make the whole home sparkle. The main floor features large principal rooms, kitchen w/ plenty of counter/cupboard space, a side sunroom w/ walk-out, convenient half bath, plus a good-sized office/den - a space that could also serve well as a main floor bedroom. Upstairs are 4 bedrooms & a full bath. The two larger Bedrooms share an adjoining sunroom that would make a great nursery, dressing room, office, potential ensuite bath...you name it! One of the smaller bedrooms features a private balcony overlooking the back patio & gardens. But that's not all...a sprawling walk-up attic just begs to be finished, & even offers a glimpse of Lunenburg's famous harbour. Outside, an array of perennials & mature flowering shrubs add colour & texture on all sides of the home, and at the back, a sunny & private interlocking brick patio provides a little summer oasis. A charming matching garage sits at the end of a long interlocking brick driveway, and like the home itself, offers tremendous potential w/ a little investment. Surround yourself with the sights & sounds of Old-Town and take advantage of this amazing opportunity to live in a wonderful & solid character [illegible] n a quiet & desirable neighbourhood, 1 block from the iconic Lune[illegible]y -- an exce[illegible]ot to make your family's Den.
